

Additional Information

The Rectory in Autumn

The rectory is a double storey building overlooking the Riverside Precinct and is within easy walking of cafes, the Wagga Wagga Art Gallery, the Library, the National Glass Gallery, the Museum of the Riverina, and the Civic Centre. The main shopping centre is a short walk or drive of about three to four blocks and contains the major chain supermarkets (Coles and Woolworths).

There are wonderful views of the Murrumbidgee out of the upstairs bedroom windows.

From the rectory, there is easy access to the walking track beside the Murrumbidgee River and the Riverside Precinct. The Riverside Precinct has a large, new playground, a beach (yes, Wagga does have a beach), yarning circle, a music bowl and picnic facilities including a free BBQ.
